

Notice of Plan Administrator Address Change

All written correspondence in connection with your investment plan should be mailed to Computershare Trust Company, N.A. (the "Plan Administrator") at:

Regular mail:

Computershare
P.O. Box 505000
Louisville, KY 40233-5000

For overnight delivery service:

Computershare
462 South 4th Street
Suite 1600
Louisville, KY 40202

All written correspondence should contain your account number and the name of the security that appears on your stock certificate or account statement. Please note that if the Plan Administrator listed in the enclosed plan document differs from the above, then Computershare Trust Company, N.A. is now the Plan Administrator for this plan. Computershare, Inc. acts as service agent to Computershare Trust Company, N.A. under the plan. The terms and conditions of this plan remain in force. To contact us or view online information about this plan, please visit www.computershare.com/investor. To call us, please use the phone number included on the enclosed form.

Notice of Amendment to Plan

The pricing methodology for open market purchases set forth in the attached document is no longer applicable and has been superseded by the following:

Share Purchases under the Plan

Under the Plan, directions to purchase shares on a specific day or at a specific price cannot be accepted. The actual purchase date or price paid for any shares purchased through the Plan cannot be guaranteed.

Computershare may combine Plan participant purchase requests with other purchase requests received from other Plan participants and may submit the combined purchase requests in bulk to Computershare's broker as a single purchase order. Purchase requests may be combined, at Computershare's discretion, according to one or more factors such as purchase type (e.g., dividend reinvestment, one-time ACH, check, etc.), request date, or request delivery method (e.g., online, regular mail, etc.). Computershare will submit bulk purchase orders to its broker as and when required under the terms of the Plan. Computershare's broker may execute each bulk purchase order in one or more transactions over one or more days, depending on market conditions. Each participant whose purchase request is included in each bulk purchase order will receive the weighted average market price of all shares purchased by Computershare's broker for such order.

**DIVIDEND REINVESTMENT AND
CASH PURCHASE PLAN**

for

**CREDIT SUISSE ASSET MANAGEMENT
INCOME FUND, INC.**

**DIVIDEND REINVESTMENT AND
CASH PURCHASE PLAN
for
CREDIT SUISSE ASSET
MANAGEMENT INCOME FUND, INC.
(the “Fund”)**

1. What is the Dividend Reinvestment and Cash Purchase Plan?

The Dividend Reinvestment and Cash Purchase Plan (the “Plan”) offers Common Stockholders of the Fund a prompt and simple way to reinvest net investment income dividends and capital gains and other periodic distributions in shares of the Fund’s Common Stock. It is the Fund’s present policy, which may be changed by the Board of Directors to make dividend distributions on a monthly basis. In addition, the Fund’s final distribution for each calendar year will include any remaining net investment income undistributed during the year, as well as any undistributed net realized capital gain.

The Plan also allows you to make optional cash investments in shares of the Fund’s Common Stock through the Plan Agent and to deposit certificates representing your Fund shares with the Plan Agent for safekeeping. Computershare Trust Company, N.A. (“Computershare”), acts as Plan Agent for stockholders in administering the Plan. The complete terms and conditions of the Plan accompany this outline.

2. Who can participate in the Plan?

In order to participate in the Fund’s Plan, you must be a registered holder of at least one share of stock of the Fund. If you are already a registered shareholder, after reading this Brochure (including the Terms and Conditions) you can join the Plan via the Internet by going to www.computershare.com/investor, authenticating your online account, agreeing to the Terms and Conditions of online “Account Access” and completing an online Plan Enrollment Form or by completing and signing the Plan Enrollment

Form and returning it to Computershare. By joining the Plan, you agree to the Terms and Conditions set forth in this Brochure.

If you are a beneficial owner of the Fund having your shares registered in the name of a bank, broker or other nominee, you need to first make arrangements with the organization in whose name your shares are registered to have the shares transferred into your own name. Once the shares are registered in your name, you may then join the Plan by following the instructions noted above.

3. What does the Plan offer?

The Plan has two components: reinvestment of dividends and distributions, and an optional cash purchase feature.

- **Reinvestment of dividends and distributions.** By participating in the Plan, your dividends and distributions will be promptly paid to you in additional shares of Fund Common Stock, thereby increasing your holdings in the Fund. If the Fund declares a dividend or distribution, and you are enrolled in the Plan, you will automatically receive shares of the Fund's Common Stock.

The number of shares to be issued to you will be determined by dividing the total amount of the distribution payable to you by the greater of (i) the net asset value per share ("NAV") of the Fund's Common Stock on the payment date, or (ii) 95% of the market price per share of the Fund's Common Stock on the payment date. However, if the NAV of the Fund's Common Stock is greater than the market price (plus estimated brokerage commissions) on the payment date, then Computershare (or a broker-dealer selected by Computershare) shall endeavor to apply the amount of such distribution on your shares to purchase shares of Fund Common Stock in the open market.

- **Voluntary cash purchase.** Plan Participants have the option of making investments in shares of the Fund's Common Stock through Computershare. You may invest \$100 or more monthly, with a maximum of \$100,000 in any annual period. Computershare will purchase shares for you in the open market on the principal national securities exchange upon which the Fund's shares trade, in the over-the-counter market or in negotiated transactions on the 25th of each month or the next trading day if the 25th is not a trading day. Please send your check drawn on a U.S. bank, made payable in U.S. dollars to Computershare-Credit Suisse Asset Management Income Fund, Inc., to the address set forth below. Computershare must receive your check for a voluntary cash payment no later than two business days prior to the 25th of the month. If Computershare does not receive your check by this deadline, it may hold the check and invest it the next month.

Computershare will not accept cash, traveler's checks, money orders, or third party checks for voluntary cash purchases.

You may also make voluntary cash payments by accessing your account online at www.computershare.com/investor and making a one-time online bank debit. When you are investing online, please refer to your Confirmation Page for the estimated timeframe for your one-time online debit and purchase.

If you wish to make regular monthly optional cash payments, you can authorize an automatic monthly deduction from your checking or savings account at a U.S. bank or other U.S. financial institution. This feature enables you to make ongoing investments without writing a check. To initiate automatic monthly deductions, you may enroll by accessing your account online at www.computershare.com/investor.

Alternatively, you must complete and sign a Direct Debit Authorization Form and return it to Computershare together with a voided blank check or savings account deposit slip, from the bank or other institution from which the funds are to be withdrawn. Your Direct Debit Authorization Form will be processed and will become effective as promptly as practicable. However, you should allow at least four to six weeks for your first investment to be initiated.

Once automatic deductions are initiated, funds will be drawn from your specified account on the 20th of each month, or the next banking business day if the 20th is not a banking business day. Automatic monthly deductions will continue until you notify Computershare in writing to the contrary. You may change or discontinue automatic monthly deductions by accessing your account online at www.computershare.com/investor or by completing and submitting to Computershare a new Direct Debit Authorization Form. When you transfer shares or otherwise establish a new account, a new Direct Debit Authorization Form must be completed. To be effective with respect to a particular monthly purchase, Computershare must receive the new Direct Debit Authorization Form at least seven (7) business days preceding the monthly purchase date.

Your cash (which does not earn interest) will be held by Computershare until the next purchase date on the 25th of the month, but in no event more than 35 days after such date. You may withdraw a voluntary cash payment by written notice if the notice is received by Computershare not less than forty-eight hours before the investment date.

Shares purchased with cash deposit investments will be acquired by Computershare for the participants' accounts by purchases of outstanding shares on the open-market on the principal national securities exchange upon which a Fund's shares trade, in the over-the-counter market or by negotiated transactions, irrespective of whether the

shares are trading at a market premium or a market discount.

4. How does the custody of shares work?

All shares that are issued to you in payment of dividends or distributions or that are purchased by you through voluntary cash purchases are held in the name of Computershare or its nominee and the shares are added to your balance in the Plan. Computershare will send a confirmation statement to you shortly after any activity in your account.

Computershare will not issue certificates for shares of the Fund's Common Stock purchased under the Plan. The number of shares purchased for your Plan account, as well as the number of shares you deposit, will be shown on your Plan account statement. Keeping shares in book-entry form rather than in certificated form protects against loss, theft and destruction of stock certificates.

Although the Fund has discontinued the issuance of physical certificates, all previously issued certificates will remain outstanding and negotiable until presented to Computershare and/or cancelled.

5. Is there a cost to participate?

There is no service fee payable by Plan Participants for dividend reinvestment. For purchases from voluntary cash payments by check, one-time online bank debit or by recurring automatic investments, Plan Participants must pay a service fee of \$5.00 per transaction. Plan Participants will also be charged a per share fee for all open market purchases (currently \$0.03 per share as of October 2006). Per share fees include any brokerage commissions Computershare is required to pay. These charges will be deducted from amounts to be invested.

Participants will also be charged a service fee of \$5.00 for each sale and a per share fee of \$0.03 (as of October 2006).

6. Can I deposit shares into my Plan account for safekeeping?

As a Plan Participant, you can deposit your Fund certificate(s) into your Plan account. To deposit your shares, you should send the certificate(s) to Computershare, at the address set for below, by registered or certified mail, with return receipt requested, or some other form of traceable mail, and properly insured. You should not sign the certificate(s) or complete the assignment section.

When submitting certificate(s) for deposit into your Plan account, be sure to include a written request to have the certificate(s) deposited. Shares that you deposit will be credited in book-entry form to your Plan account. The advantages of holding shares in book-entry form in the Plan are protection against certificate loss, theft, and damage.

7. May I withdraw from the Plan?

You may withdraw from the Plan without penalty at any time by visiting Computershare's website at www.computershare.com/investor, by calling Computershare directly at (800) 730-6001 or by written notice to Computershare.

If you withdraw, you have three options with regard to the shares held in the Plan:

1. You may elect to receive future distributions in cash and continue to hold your whole non-certificated shares in your Plan account in book-entry form. Computershare will sell any fractional shares and send the proceeds by check, less any applicable fees, to your address of record.

2. You can sell all or a portion of the shares from your Plan account. Computershare will sell the shares for you in your Plan account through a broker selected by it and send you the proceeds, less a service fee of \$5.00 per sale and less a per share fee of \$0.03 (as of October 2006). Computershare will send the sale proceeds, less applicable fees, to you by check to your address of record after your

sale transaction has settled. If you request all your Plan shares sold, any fractional shares you own will be sold at the current market price and included in the proceeds.

All sale instructions are final when Computershare receives them. Your sale instructions cannot be stopped or cancelled. Computershare may, for various reasons, require a transaction request to be submitted in writing. Please contact Computershare to determine if there are any limitations applicable to your particular sale request.

3. You may opt to sell your shares through a financial advisor and request that he or she transfer shares electronically from your Plan account to your brokerage firm account. You should contact your financial advisor to learn more about any restrictions or fees that may apply.

Your withdrawal will be effective immediately if your notice is received by Computershare prior to any dividend or distribution record date; otherwise such withdrawal will be effective only with respect to any subsequent dividend or distribution

Your dividend participation option will remain the same unless you withdraw all of your whole and fractional Plan shares, in which case your participation in the Plan will be terminated and you will receive subsequent dividends and capital gains distributions in cash instead of shares.

If you have withdrawn or sold all of your shares and you wish to re-enroll in the Plan, simply send written instructions signed by all registered owners to Computershare.

8. *How do participating stockholders benefit?*

- You will build holdings in the Fund easily and automatically, at no brokerage cost for distributions in Fund shares (when shares of the Fund's Common Stock are trading at a premium to its NAV).

- You will receive a detailed account statement from Computershare, showing total dividends and distributions, additional cash payments, date of investment, shares acquired and price per share, and total shares of record held by you and by Computershare for you. You will be able to vote all shares held for you by Computershare at stockholder meetings.

9. What are the tax implications for Participants?

You will receive tax information annually for your personal records and to help you prepare your federal income tax return. The automatic reinvestment of distributions does not relieve you of any income tax which may be payable on distributions.

10. Whom should I contact for additional information?

Please address all notices, correspondence, questions or other communications regarding the Plan by registered or certified mail, return receipt requested to:

By mail: Credit Suisse Asset Management
Income Fund, Inc.
c/o Computershare
P.O. Box 43078
Providence, RI 02940-3078

By phone: (800) 730-6001 (Within the U.S.A.,
U.S. territories and Canada)
(781) 575-3100 (Outside the U.S.A.,
U.S. territories and Canada)

Customer service associates are available from 9:00 a.m. and 5:00 p.m. Eastern time, Monday through Friday.

By Internet: www.computershare.com/investor

The Fund may amend or terminate its Plan. Participants will be sent written notice at least 30 days before the effective date of any amendment. In case of termination, Participants will be sent written notice of the termination at least 30 days before the record date of any dividend or capital gains distribution by the Fund.

TERM AND CONDITIONS
for
CREDIT SUISSE ASSET MANAGEMENT
INCOME FUND, INC.
(each, the “Fund”)

The Fund, a Maryland corporation, hereby adopts the following plan (the “Plan”) with respect to net investment income dividends and capital gains and other periodic distributions declared by its Board of Directors on shares of its Common Stock and to voluntary cash purchases of shares of its Common Stock:

1. If a stockholder elects to reinvest income dividends and capital gains, all net investment income dividends and all capital gains and other periodic distributions hereafter declared by the Board of Directors shall be payable in shares of the Common Stock of the Fund in which the stockholders own Common Stock.
2. Such dividends and distributions shall be payable on such date or dates as may be fixed from time to time by the Board of Directors to stockholders of record at the close of business on the record date(s) established by the Board of Directors for the dividend and/or distribution involved. If a stockholder elects to participate in the Plan, such stockholder will receive all dividends and/or distributions in full and fractional shares of a Fund’s Common Stock. To participate in the Plan a stockholder shall complete and sign an enrollment form.
3. Computershare Trust Company, N.A., the Plan Agent, (“Computershare”) will set up an account for shares acquired pursuant to the Plan for each participating stockholder (“Participant”). Computershare may hold each Participant’s shares, together with the shares of other Participants, in noncertificated form in Computershare’s name or that of its nominee.

4. Whenever the Fund declares an income dividend or a capital gain distribution (collectively referred to as “dividends”) payable either in shares or in cash, non-participants in the Plan will receive cash and Participants in the Plan will receive the equivalent in shares. The method used by Computershare to acquire shares will vary based on whether shares are acquired through dividend reinvestments or with cash deposit investments. Shares purchased through dividend reinvestments will be acquired by Computershare for the Participants’ accounts, depending upon the circumstances described below, either (i) through receipt of additional unissued but authorized shares from the Fund (“newly issued shares”) or (ii) by purchase of outstanding shares in the open market (“open-market purchases”) on the principal national securities exchange upon which the Fund’s shares trade, in the over-the-counter market or in negotiated transactions. If on the payment date for the dividend, the net asset value per share is equal to or less than the market price per share plus estimated brokerage commissions (such condition being referred to herein as “market premium”), Computershare will invest the dividend amount in newly issued shares on behalf of the Participants. The number of newly issued shares to be credited to each Participant’s account will be determined by dividing the dollar amount of the dividend by the net asset value per share on the payment date; provided that, if the net asset value is less than or equal to 95% of the closing market value on the payment date, the dollar amount of the dividend will be divided by 95% of the closing market price per share on the payment date. If, on the payment date for any dividend, the net asset value per share is greater than the closing market value plus estimated brokerage commissions (such condition being referred to herein as “market discount”), Computershare will invest the dividend amount in shares acquired on behalf of the Participants in open-market purchases.

If Computershare is unable to invest the full dividend amount in open market purchases during the purchase period or if the market discount shifts to a market premium during the purchase period, Computershare may cease making open-market purchases and may invest the uninvested portion of the dividend amount in newly issued shares at net asset value per share at the close of business on the last payment date; provided that, if the net asset value is less than or equal to 95% of the then current market price per common share, the dollar amount of the dividend will be divided by 95% of the market price on the payment date.

Shares purchased with cash deposit investments will be acquired by Computershare for the Participants' accounts by purchases of outstanding shares on the open-market on the principal national securities exchange upon which the Fund's shares trade, in the over-the-counter market or in negotiated transactions.

For purposes of the Plan: (a) the market price of the Common Stock on a particular date shall be the last sales price on the American Stock Exchange on that date, or, if there is no sale on such Exchange on such date, then the average between the closing bid and asked quotation for such shares on such Exchange on such date and (b) the NAV per share of Common Stock on a particular date shall be as determined by or on behalf of the Fund.

5. A Participant has the option of sending additional funds to Computershare, in any amount of at least \$100 with a maximum of \$100,000, for the purchase in the open market of shares of the Fund's Common Stock for his or its account. Such voluntary payments will be so invested by Computershare on the 25th of each month or the next trading day if the 25th is not a trading day, and in no event more than 35 days after such date, except where necessary to

comply with provisions of federal securities law. Funds received less than 2 business days prior to an investment date will be held by Computershare until the next investment date. A Participant may withdraw his entire voluntary cash payment by written notice received by Computershare not less than 48 hours before such payment is to be invested.

Participants may authorize an automatic monthly deduction from their checking or savings account at a U.S. bank or other U.S. financial institution. To initiate automatic monthly deductions, participants must enroll through Computershare's Internet site or complete and sign enrollment forms and return them to Computershare together with a voided blank check or savings account deposit slip, from the bank or other institution from which the funds are to be withdrawn. Enrollment will become effective as promptly as practicable. Once automatic deductions are initiated, funds will be drawn from the specified account on the 20th of each month, or the next banking business day if the 20th is not a banking business day. Automatic monthly deductions will continue until participants notify Computershare in writing to the contrary. Participants may change or discontinue automatic monthly deductions by following Computershare's procedures. When Participants transfer shares or otherwise establish a new account, Participants must re-enroll. To be effective with respect to a particular monthly purchase, Computershare must receive the necessary material at least seven (7) business days preceding the monthly purchase date.

In the event that any check, draft or electronics funds transfer Participants may tender or order as payment to Computershare to purchase shares is dishonored, refused or returned, Participants agree that the purchased shares when credited to their account may be sold, on Computershare's order without the

Participant's consent or approval, to satisfy the amount owing on the purchase. The "amount owing" will include the purchase price paid, any purchase and sale transaction fees, any brokerage commissions and Computershare's returned check or failed electronic payment fee. If the sale proceeds of purchased shares are insufficient to satisfy the amount owing, Participants authorize Computershare to sell additional shares then credited to a Participant's account as necessary to cover the amount owing, without the Participant's further consent or authorization. Computershare may sell shares to cover an amount owing as a result of a Participant's order in any manner consistent with applicable securities laws and a Fund's organizational documents. Any sale for that purpose in a national securities market would be commercially reasonable. Participants grant the Computershare a security interest in all shares credited to their account including shares subsequently acquired and held or tendered for deposit, for purposes of securing any amount owing as described in this paragraph.

6. Investments of voluntary cash payments may be made by Computershare on any securities exchange where shares of the Fund's Common Stock are traded, in the over-the-counter market or in negotiated transactions and may be on such terms as to price, delivery and otherwise as Computershare shall determine. Participant funds held by Computershare uninvested will not bear interest, and Computershare shall have no liability in connection with any inability to purchase shares within 30 days for dividends and within 35 days for voluntary cash payments, after receipt of funds or with the timing of any purchases affected. Computershare shall have no responsibility as to the value of the shares of the Fund's Common Stock acquired for any Participant's account and may commingle funds of Participants for the purpose of cash investments.

The price of all shares purchased by Computershare on the open market pursuant to the Plan shall be the weighted average price per share obtained by Computershare's broker for each aggregate order placed by Computershare. The price of all shares sold by Computershare pursuant to sell orders shall be the weighted average price per share obtained by Computershare's broker for each aggregate order placed by Computershare. All sales instructions received by Computershare will be processed promptly thereafter and in no event later than five business days after the date on which the order is received. All sale instructions are final. Once Computershare has received the Participant's sale instructions, the request cannot be stopped or cancelled.

For purchases and sales made in the open market, no one will have any authority or power to direct the time or price at which shares for the Plan are purchased or sold, and no one other than Computershare will select the broker(s) or dealer(s) through or from whom purchases or sales are to be made.

7. Computershare will confirm to each Participant each acquisition made pursuant to the Plan as soon as practicable but not later than 10 business days after the date thereof. Dividends and distributions on fractional shares will be credited to each Participant's account. In the event of termination of a Participant's account under the Plan, Computershare will adjust for any such undivided fractional interest in cash at the market value of a Fund's shares at the time of termination.
8. Participants agree that in the event they choose to send share certificates to Computershare for deposit into their Plan account they should send their certificate(s) by certified or registered mail or private carrier, properly insured, with return receipt requested to Computershare at P.O. Box 43078, Providence, RI 02940-3078,

and will not endorse the certificate(s) or complete the assignment section.

9. Computershare will forward to each Participant any Fund related proxy solicitation materials and each Fund report or other communication to stockholders, and will vote any shares held by it under the Plan in accordance with the instructions set forth on proxies returned by Participants to the Fund.
10. In the event that the Fund makes available to its Common Stockholders rights to purchase additional shares or other securities, the shares held by Computershare for each Participant under the Plan will be added to any other shares held by the Participant in calculating the number of rights to be issued to the Participant. Any stock dividend or shares resulting from stock splits with respect to the shares of the Fund, both full and fractional, which participants hold in their Plan accounts and with respect to all shares registered in their names will be automatically credited to their accounts in book-entry form.
11. Computershare's service fee for the reinvestment of dividends will be paid for by the Fund. Participants will be charged a service fee of \$5.00 per transaction for all voluntary cash investments plus a per share fee of \$0.03 per share on all open market purchases (as of October 2006). Per share fees include any brokerage commissions Computershare is required to pay.
12. Each Participant may terminate his or its account under the Plan by so notifying Computershare in writing, by telephone or through the Internet. Such termination takes effect when such notice is received by Computershare except as otherwise provided in this paragraph. In the event a Participant's notice of termination is received near a record date for an account whose dividends are to be

reinvested, Computershare, in its sole discretion, may either distribute such dividends in cash or reinvest them in shares on behalf of the terminating Participant. In the event reinvestment is made, Computershare will process the termination as soon as practicable, but in no event later than five business days after the investment is completed. Upon any termination, whole common shares will be held by Computershare in book-entry form in the name of the Participant. Fractional shares will be sold at the then-current market price and a check for the proceeds, less any applicable fees will be mailed to the Participants address of record. If a Participant elects by his notice to Computershare in advance of termination to have Computershare sell part or all of his or its shares and remit the proceeds to the Participant, Computershare is authorized to deduct a \$5.00 service fee plus per share fees (currently \$0.03 per share as of October 2006) from the proceeds. The Plan may be terminated by a Fund or by Computershare upon notice in writing mailed to each Participant at least 30 days prior to any record date for the payment of any dividend or distribution by the Fund.

13. These terms and conditions may be amended or supplemented by Computershare or the Fund at any time but, except when necessary or appropriate to comply with applicable law or the rules or policies of the Securities and Exchange Commission or any other regulatory authority, only by mailing to each Participant appropriate written notice at least 30 days prior to the effective date thereof. The amendment or supplement shall be deemed to be accepted by each Participant unless, prior to the effective date thereof, Computershare receives written notice of the termination of his or its account under the Plan. Any such amendment may include an appointment by Computershare in its place and stead of a successor agent under these terms and conditions, with full power and authority to perform all or any of the acts

to be performed by Computershare under these terms and conditions. Upon any such appointment of any agent for the purpose of receiving dividends and distributions, the Fund will be authorized to pay to such successor agent, for each Participant's account, all dividends and distributions payable on shares of the Fund held in the Participant's name or under the Plan for retention or application by such successor agent as provided in these terms and conditions.

14. Computershare will at all times act in good faith and use its best efforts within reasonable limits to ensure its full and timely performance of all services to be performed by it under this Plan and to comply with applicable law, but assumes no responsibility and shall not be liable for loss or damage due to errors unless such error is caused by Computershare's negligence, bad faith or willful misconduct or that of its employees or agents.

Computershare may, for various reasons, require a transaction request be submitted in writing. Participants should contact Computershare to determine if their particular request, including any sales request, must be submitted in writing.

15. These terms and conditions shall be governed by the laws of the State of New York.
